Dear Member

SCHUMACHER AWARD 2008

The Schumacher Award has been presented annually at the Bristol Schumacher Lectures since 1994. The 2007 Award went to Adam Twine, Westmill Wind Farm Cooperative. Many thanks to all of you who sent in nominations. I think you will agree Adam is a worthy recipient of this Award.

Now it is time for you to consider who to nominate for the 2008 Award. As usual, the Award will be given to a person or grassroots organisation within the UK whose work is making a significant contribution to human scale sustainable development, and it will symbolise the many unsung heroines and heroes whose life and work exemplify E.F. Schumacher's *Small Is Beautiful* philosophy.

All Schumacher Society members are eligible to nominate and the Award is judged by the Schumacher Society Council. The following criteria apply:

- All nominees must be UK based. Their work should demonstrate what can be achieved on an individual, small-scale, or community basis.
- Preference is given to those whose inspiration has come from a new, pioneering commitment rather than being fostered by existing organisations or institutions.
- Preference is given to those who have not already received major national or international accolades and who do not have a high media profile.
- Unsuccessful shortlisted nominees may be considered for one further year.

We all know there are countless unrecognised kindred spirits working for Schumacher ideals, often with little or no support. So please nominate someone you know about for the 2008 Award. Remember, there can be no Award without your nominations, so we look forward to hearing from you.

PLEASE SEND YOUR NOMINATIONS ON THE FORM OVERLEAF AS SOON AS POSSIBLE AND NO LATER THAN 12 MAY 2008

With very best wishes
